Dear Supporter

I am writing to say thank you for supporting the work and efforts of St Elizabeth Hospice. The donations we have received have meant so much to our patients and staff.

Please also pass on our thanks to those who have supported you: colleagues, friends, family and whoever else has contributed.

During the last few months, we have lived through an exceptionally difficult time which has brought so many challenges to both the professional and personal lives of everyone associated with the hospice. Whether you have donated Personal Protective Equipment (PPE), food, gifts or anything else for our patients and hard-working staff, we are extremely grateful for the solidarity and support shown by our community to the hospice.

It is due to your support during this hard time, that we were able to keep our services running and can continue to do so for years to come.

I joined the hospice earlier this year and whilst it has been an unexpected first six months, it has been inspiring to see so much support for what we do and I have never been prouder to be part of the St Elizabeth Hospice family.

Thank you for all that you have done for St Elizabeth Hospice.

Yours sincerely,

Ru Watkins  
Chief Executive
